# FMS:Employee

FedRAMP Authorized Room, Desk and Resource Scheduling

Maximize the use of your space with efficient workplace scheduling that gives employees access to the resources they need to do their best work. With FMS:Employee, a FedRAMP Authorized product since 2018, you can quickly design the ideal workday in an easy-to-use solution that connects workspaces, conference rooms, co-workers, amenities and guests in a seamless scheduling experience.

Low-impact Certification

Desk Booking

Easily view desk and workspace availability for quick reservations from the web or a mobile device

Meeting Planning

Quickly find and reserve rooms, view attendee availability in Outlook, add equipment and services, and invite external visitors

Interactive Floorplans

Visual scheduling with interactive, pan-and-zoom floor plans and intuitive search options that are available on kiosks, laptops and mobile devices.

Mobile Scheduling

- ✓ QR Code Reader for touch-less reservation check-in, checkout and auto-release
- ✓ Optimized search results based on past use and preferences
- ✓ Meet Now functionality to see immediate desk availability
- ✓ Available on iOS and Android

Comprehensive Solutions

- ✓ Recurring, multi-day, and multi-resource reservations
- ✓ Bi-directional integration with Outlook and O365
- ✓ Optional health policy acknowledgment for regulatory compliance
- ✓ Timeline comparison for multi-location and multi-time zone meetings

FedRAMP Authorized

FM:Systems is one of the leading workplace technology solution providers to achieve the Federal Risk and Authorization Management Program (FedRAMP) authorization. FM:Systems completed the security review by the FedRAMP Program Management Office (PMO) in conjunction with an independent third-party organization that is accredited by the program in 2018. The FMS:Employee application has been authorized as "Tailored LI-SaaS" given the low risk of data stored. We undergo annual monitoring to ensure we are providing our federal clients with a secure FedRAMP Authorized environment. Our FedRAMP Authorization, positions FMS:Employee to be the hybrid workplace application of choice for federal agencies across the nation.
